Fax 814 – 342 - 3145

E-Ticket (Print Boarding Pass) Software:

The locked-down E-Ticket application dedicates the PC to the E-Ticket application only. E-Ticket is a portal to all major airlines, national and international. There are about 100 airlines with name, link to check-in and phone number present and the list is updated / refreshed on a regular basis. Let us know if you want an airline added.
